City of Sunnyside

**Your guide
to understanding...**

City Council Electoral Districts

(Available in Spanish)

City Council Districts

The City of Sunnyside has four (4) district positions and three (3) positions at large.

District Positions:

Position/District 1 - December 31, 2013

Position/District 2 - December 31, 2013

Position/District 3 - December 31, 2013

Position/District 4 - December 31, 2013

Positions At Large:

Position 5 - December 31, 2011

Position 6 - December 31, 2011

Position 7 - December 31, 2011

Who do I vote for? If three or more candidates in your district run for office, the County will schedule a primary election - only registered voters in that district can vote in the primary. The two candidates that win the primary will advance to the general election. Everyone, regardless of which district they live in, can vote in the general election and can vote for all candidates.

Who represents me? Once elected, all Council members, regardless of which district they live in, must equally consider and represent the needs of the entire community.
