---

# IMPORTANT INFORMATION

**Subject:** City of Sunnyside Water System Flushing

**When:** Thursday October 20, 2016 – Friday October 21, 2016 from 3:00 AM to 5:00 PM

**Where:** City-Wide

**Why:** To flush out iron and manganese deposits, which cause “rusty” looking water and for hydrant flow testing.

**How:** Through fire hydrants

**Who:** City of Sunnyside Public Works Department – Water Division Personnel

### **Possible Public Impact:**

Some turbidity may occur causing temporary discoloration.

### **Helpful Hints:**

Minimize water usage during this period. Run your household plumbing for 10 minutes first thing in the morning to eliminate any deposits which may be in your own plumbing system.

### **Questions:**

If you have any questions, please call the public works office at (509) 837-5206.
